Instructions to Obtain a Certification of Consistency with the Consolidated Plan

Sometimes when applying for federal funds, the federal grant application will require that the applicant obtain a signed HUD Form-2991 called *Certification of Consistency with the Consolidated Plan*. This means that you have to request that our department (which administers the Consolidated Plan for the City) sign the form and you must submit the signed form with the grant application.

Please follow the instructions below to request a *Certification of Consistency with the Consolidated Plan*.

**HUD Form-2991**
You must download and submit to us a PDF-fillable HUD Form-2991 from the Internet. 3. Location(s) of the Project (for multiple locations, provide all addresses within the geographic area of the City of Los Angeles that will participate in the federal program except for domestic violence shelters, please type “site confidential”).
